PRECISION DAIRY FARMING 2015
Mayo Civic Center, ROCHESTER, MN
24-25 June

University of Minnesota and University of Kentucky hosting the 2015 U.S. Precision Dairy Conference and Expo - Mark your calendars!

This exciting event will be held at the Mayo Civic Center in Rochester, MN June 24 and 25, 2015. The program will include eight dairy producer panels, many industry updates, and three plenary talks that will summarize practical precision dairy management information. The trade show will be an opportunity to see first-hand what companies have to offer in the growing field of precision technologies and equipment. This event is designed for dairy producers and practical applications rather than focusing on presentation of research data. In one place you will be able to virtually visit over 20 farms! Join us!

Check the event website at precisiondairyfarming.com/2015 for details or contact Marcia Endres, Program Chair (miendres@umn.edu) or Jeffrey Bewley, Program Co-Chair (Jeffrey.bewley@uky.edu).
